Kasiska Division of
Health Sciences

Ph.D. in Counselor Education and Counseling with a focus in Clinical Rehabilitation Counseling

Designed to prepare graduates for work in counselor education programs, and as doctoral level counselors for work in university counseling centers and other counseling sites. The doctoral program prepares graduates for a career in university teaching, supervision, and research in counseling programs. Emphasis on professional and personal development is a vital and fundamental aspect of the educational, supervisory and counseling process within our department.

Our graduates are prepared to:

- Teach Counseling Related Subjects
- Provide Clinical Supervision
- Conduct Research and Program Evaluation Relevant to the Work Setting

- Deliver Counseling to

Individuals

Groups

Couples and Families

- Provide Consultation Services

Clinical Rehabilitation Counseling

Calling all Moms

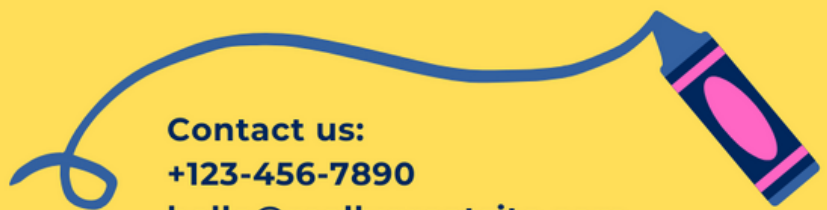

What more could your kids want?

Kids are always in need of something new to spark their interest and give them something new to do.

Creating New Artists Monthly gives kids the opportunity to receive a new coloring book and coloring medium once a month. Giving them the chance to grow intellectually and physically.
